How to Successfully Encourage Sustainable Development Policy

Lessons from Germany

Günther Bachmann

Series: Routledge Studies in Environmental Policy

This book builds on the insights of Günther Bachmann, former Secretary General for the German Sustainability Council, who spent almost twenty years advising the German Government on sustainability policy. The book discusses his experiences in negotiating stakeholder statements at the highest national levels. This book will be of global relevance to sustainability professionals and policy makers and will advise them on how to successfully move ahead with sustainability policies.
